To Our Neighboring Landowners,

You are being notified that ITC Midwest LLC (ITC Midwest), with its principal place of business at 123 5th Street SE, Cedar Rapids, Iowa, 52401, is proposing to rebuild a 34.5kV transmission line to 69kV standard in Linn County, Iowa.

An informational meeting will be held at 5:30 p.m. on December 7, 2016, at the Lisbon City Hall, 115 N. Washington Street, Lisbon, Iowa. Details of the project will be presented at the meeting along with a summary of the legal rights of affected landowners. Time will also be allocated to answer questions about the project. The meeting should last approximately an hour. In the event of inclement weather (as determined by the cancellation of school/classes in the Lisbon Community School District on the morning of the date of this Informational Meeting), the meeting will be held on December 14, 2016, at 5:30 p.m. at the same location.

Your receipt of this notice indicates that property in which you have an interest lies within the notification corridor and may be affected by the construction of the proposed transmission line. Enclosed with this letter is the Informational Meeting Notice with a map of the proposed route for your reference. The final route within the identified corridor will be determined when easement negotiations with landowners are complete. Under Iowa law, ITC Midwest is not allowed to negotiate easements before the meeting on December 7, 2016. Please join us at the meeting for additional discussion regarding the purpose, timing and routing of the proposed line.

We would also appreciate a call or e-mail from you prior to November 2, 2016, giving us the names and addresses of any persons residing on the potentially affected property that may not own an interest in the property, such as a tenant farmer. The Company is required to notify persons residing on the property and must do so no later than 30 days prior to the informational meeting. The notification must be through certified mail with return receipt requested. Please call Jackie Swartz at (515) 282-5300 ext. 466, with the tenant information, or e-mail her at jswartz@itctransco.com.

Please contact Jacob Shipp at (319) 297-6816 or jshipp@itctransco.com if you have any questions concerning this notice prior to the meeting.

Sincerely,

Tim Tessier
